Please join us for CHP's Quarterly Program Improvement Advisory Committee (PIAC). CHP is the Behavioral Health Organization (BHO) that provides mental health and substance abuse services to Medicaid members in a 43-county area of southern/western Colorado.

The PIAC is a forum for members and family members, agencies, providers and other regional stakeholders to further their understanding of and provide input into CHP's Performance/Quality Improvement Program relative to the implementation and program improvement of the Community Behavioral Health Services Program.

All PIAC meetings are open to the public. Meetings are held by webinar and conference call; minutes are posted within seven days of the meeting.
