

Colorado Health  
Partnerships invites you to  
join our  
**MEMBER AND FAMILY  
ADVISORY FORUM**

## Your story matters. . .

Take time to share what is helpful in your treatment and recovery.

## Your advice matters. . .

How easy is it to read and understand our letters, tip sheets, and website?

How would you change our Member handbook?

What training is important for your recovery?

What would you like providers and mental health centers to know?

## Your time matters. . .

One hour. Four times a year. Will you join us on the phone to share your story and your advice?

## Take time to call. . .

Please call us if you will be a part of our forum. **Call 1-800-804-5040 ext. 361483.** This is a free call and will not cost you anything.
