# BEHAVIORAL HEALTH ORGANIZATION (BHO) COMMUNITY MENTAL HEALTH CENTERS

---

Colorado Medicaid members have easy access to information and services through Community Mental Health Centers that are located throughout the BHO Service Areas. CMHCs are the largest providers of covered services to Medicaid members and are the main source of outreach, prevention, psychosocial rehabilitation, school-based, and crisis services for members and families. For assistance in locating a local CMHC office contact the **ValueOptions Colorado Service Center** at 1-800-804-5008.
